This is the Time...

*This is the time to Remember
Cause it will not last Forever
These are the days to hold on to
Cause we won't
Although we'll want to*

*This is the Time...
Sometimes it's so easy to let a day
slip on by*

*Without even seeing each other at all
But this is the time you'll turn
back to and so will I
And those will be the days you can
never recall*

THROUGH THE YEARS

We've all been here for four years
And we've all had some cheers.
The years have gone by so fast
We didn't even realize they all have past.
We've all had some good
We've all had some bad.
We've all stuck together through thick and thin
And now it's all coming to an end.
Some will go away
And some will stay.
Goodbye is such a hard word to say
For it can end in a harsh way.
God helped us through the years that have gone.
And He'll help us through the ones that will come
So that we may rejoice in the years that come.

One Moment In Time

Each day I live
I want to be
A day to give
The best of me
I'm only one
But not alone
My finest day
Is yet unknown

I want one moment in time
When I'm more than I
thought I could be
When all of my dreams are a
heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then in that one moment in time
I will feel
I will feel eternity

I've lived to be
The very best
I want it all
No time for less
I've laid my plans
Now, lay the chance
Here in my hands

You're a winner
For a lifetime
If you seize that one moment in time
Make it shine

Give me one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time, When I'm racing with
destiny
Then in that one moment in time, I will be free

"DECK THE HALLS"

Friday, December 23, students and staff were entertained by a spectacular Christmas Variety Show. Organized by Mrs. Sheila Herbert the Assist-Super, and Dave Saul, the school's media consultant, talented students and staff members from the school performed in an hour-long show. There wasn't a single break in the entertainment as master of ceremonies Leo Dunn kept the spirit of the show and the season going. The audience was entertained by a Christmas Chorus consisting of students, teachers, and support staff directed by Mrs. Herbert, and accompanied on the piano by Philip Paquette. They sang a medley of old time Christmas Carols. In addition, there were several dazzling lip-sync/dance numbers, a farewell performance by GLRVTS' own KISS band, and moving solo vocal performances by Tricia Gomes, Mr. Charles Loucraft, and Mr. Eric Burgess. Even Frosty (Mrs. Mary Lappin) "Rap-Santa" (Jack Loynd) stopped by to join the festivity. It was a delightful and heart-warming event -- just one more tribute to GLRVTS' outstanding school spirit.

FLOOR HOCKEY

A new activity was added this year and what a success the floor hockey competition was. All the shops competed for the chance to be number one! When all was said and done only two teams remained undefeated, and while the Mechanical Drawing team played hard, they could not overcome the powerful PLUMBERS! The best floor hockey team at Greater Lowell.

BLOOD DRIVE

Every year many pints of blood are donated by the students and staff of Greater Lowell. This blood is greatly appreciated by the Red Cross, who distribute the donations to the local hospitals. The blood donors are to be congratulated and remembered for "Giving the gift of life."

THE CAST OF Eddie

Eddie Comes to Greater Lowell

Eddie is an improvisational play intended to increase understanding and awareness of substance abuse, provide specific information on its signs and effects, propose lifestyles and attitudes that can prevent dependence on drugs, and give students, teachers, and parents a chance to work together on a project to combat the growing menace of substance abuse. It will be presented here June 8th for students and teachers during the regular school day, and then again at 7:30 p.m. for parents and the general public.

Eddie is a play about a 16 year old Rhode Island youth who dies from substance abuse. The play is a production of *Impact*, a Rhode Island based improvisational musical performance group which calls itself "a catalyst for action against substance abuse". *Impact* brings its own director, producer, title role, actor, and singer/musician. The rest of the cast and crew will be comprised of students from Greater Lowell.

The Homecoming weekend got off to a roaring start on Friday, October 21, with the greatest school spirit pep rally to date. The Gryphon Football Team, our star cheerleaders, this year's Homecoming Queen Darice Clement and her court, and other school clubs and organizations set the pace for a super weekend at the student body assembly in the gym.

The Girls Volleyball team, presently in first place in the Commonwealth Athletic Conference, beat Presentation of Mary Academy 6-0. The Field Hockey team faced the Tyngsboro Tigers. Chris Pare, Kim Weldon and Samantha Gauthier made a good showing. Although rain cancelled the game on Saturday, it didn't dampen the Gryphon spirit to win. The high-flying Gryphons whipped our rival Tyngsboro on Sunday afternoon 13 to 7.

The Homecoming weekend celebration concluded with the 1st Annual "Athletic Hall of Fame Banquet" Sunday evening.

HELP

I would like to thank the many dedicated people who contributed their time and talents, in helping to yearbook together.

I would first like to thank my co-advisor Sharon Piendak for doing a fine job. Sharon was responsible design and layout of the Senior and faculty sections.

Thanks to John Siemiatkoski (yearbook representative) for pointing me in the right direction and for all in getting this yearbook published.

A special thanks to Dave Saul for all his help this year.

Many thanks to the business ladies for all their help with the typing: Ellen Carroll, Elaine Holland, and Charlene Ryan. To Kathy Conole, Kathy Howe, Caroline Landry, Cladette Pare, Joe Lema, Carol Shabouian, Kathy Bob Redding, Jack Hall, Jan Cunningham, and Nancy Rayne, thank you, I appreciate all the help you have.

To Sheila Herbert and Bill Collins, thank you for all your support.

And to my yearbook staff, never forget the good times we had working together and your four years at Lowell!

To all the graduates of 1989, I hope you enjoy your memories of Greater Lowell.
